

Speaker's Daughter and Her Fiance.

James McIlhenny Thomson.

Pike county, but all Missouri will celebrate. In fact, Speaker Clark has made the announcement that no special invitations will be issued to the wedding because it would be impossible to send them. He has therefore issued a blanket invitation to Missourians. Bowling Green will see a time such as it has never seen in its history.

Mr. Thomson is thirty-six years old, a graduate of Johns Hopkins University, and a member of many clubs, including the Pickwick club, the New Orleans Country club, and the Audubon club of New Orleans. After his graduation Mr. Thomson devoted a few months to the study of law, after which he became a member of the staff of a Washington newspaper. He was a special writer for a New York paper, and in 1909 obtained an interest in the Norfolk Dispatch. He sold his interest and purchased a majority interest in the New Orleans Item, and is now interested in the publishing of that paper.

When Miss Genevieve Clark, daughter of Champ Clark, speaker of the house of representatives, and James M. Thomson, are married at Bowling-Green, Kentucky, June 23, not only

CALOMEL IS MERCURY! IT SICKENS! ACTS ON LIVER LIKE DYNAMITE

"Dodson's Liver Tone" Starts Your Liver Better Than Calomel and Doesn't Salivate or Make You Sick.

Listen to me! Take no more sickening, salivating calomel when bilious or constipated. Don't lose a day's work! Calomel is mercury or quicksilver which causes necrosis of the bones. Calomel, when it comes into contact with your bile crashes into it, breaking it up. This is when you feel that awful nausea and cramping. If you are sluggish and "all knocked out," if your liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad or stomach sour just take a spoonful of harmless Dodson's Liver Tone on my guarantee.

Here's my guarantee—Go to any drug store and get a 50 cent bottle of Dodson's Liver Tone. Take a spoonful to night and if it doesn't straighten you right up and make you feel fine and vigorous by morning I want you to go back to the store and get your money. Dodson's Liver Tone is destroying the safe of calomel because it is real liver medicine; entirely vegetable, therefore it can not salivate or make you sick. I guarantee that one spoonful of Dodson's Liver Tone will put your sluggish liver to work and clean your bowels of that sour bile and constipated waste which is clogging your system and making you feel miserable. I guarantee that a bottle of Dodson's Liver Tone will keep your entire family feeling fine for months. Give it to your children. It is harmless; doesn't gripe and they like its pleasant taste.
